Tours and Visits

Morgan County Fire Department Headquarters is open daily for tours and visitation on a **prearranged and approved basis**. Visitors are welcome to meet firefighters and see the equipment used to keep their neighborhoods safe. Tours are “tailored” for the appropriate age group touring the station. Please keep in mind that the department has regular job duties and training sessions, so the tours must be planned two weeks in advance. To arrange a tour, please do the following:

- Call the Morgan County Fire department at 706-343-6503 or email them at MCFD@morganga.org.
- Please give them your name, address and phone number, as well as the time and date you would like to tour that station. (*Please provide an alternate date.*)
- Please give the number of people in your group and their ages. **Tours are limited to groups of 20 or fewer (adults and children). We request one adult for every five children visiting our facilities.**
- Please explain the particular topic you want covered, i.e. fire safety; stop, drop & roll; fire escape plans
- Please allow at least 2 weeks for processing and arranging your request.

Please be aware that the fire department is on call. Even with booked tours, the possibility exists that the crew could be called out. The tour will be rescheduled if the crew is not available.
